Player Details

The Player Tournament details are for this player for this tournament. Personal and Local details are taken from the master record of the player and if updated it will also update the master record of the player on the master list. ECF details are taken from the ECF Grading list, if the ECF Code has been entered on the player. FIDE details are taken from the FIDE Rating list, if the FIDE No has been entered on the player.

If creating a new player in a tournament then:

- If the ECF Grading List has been loaded, then the ECF Code or FIDE No can be entered and the details from the ECF Grading list will be used to populate the basic details for the player.
- If the ECF Membership list has been loaded, then the ECF Code or ECF Membership No can be entered and the details from the ECF Membership list will be used to populate the basic details for the player.
- If the FIDE Rating list has been loaded, then the FIDE No can be entered and the details from the FIDE Rating list will be used to populate the basic details for the player.

Once a new player has been created this dialogue screen will be redisplayed so that you can easily create another new player. If you don't need to create another new player, just press cancel.
